Overview

The All Saints Curacy Program offers more than a first job in ministry — it's an invitation to join a vision: to relaunch gospel-centered, sacramental churches throughout the Diocese of Fort Worth. This curacy seeks to form clergy who are rooted in Christ, prepared for ministry, and ready to lead with faith and humility.

Program Summary

1. Year One: Formation

In your first year, you won't be rushed into leadership. Instead, you'll be given space to step back, to re-center your life on Christ, and to build personal and devotional habits that will sustain a lifetime of ministry. This program emphasizes who you are becoming, not just what you do.

2. Year Two: Equipped for Mission-Sized Ministry

The second year prepares you to serve where the Church needs you most — in the mission-sized Church. You'll be equipped for the kind of lean, faithful, and Spirit-led ministry that mission-sized churches require to grow.

3. Year Three: Real Leadership, with Real Support

In the third year, you will relaunch a mission-sized ministry — not alone, but with the support of All Saints.. You will lead, risk, grow, and pray alongside your spouse and Church family, while continuing to draw on the mentorship and resources of All Saints Church.
